WHO WE ARE

Founded in 2015 in Ghana, DH Industries (DHI) has rapidly established itself as a leader in the detergent, home, and personal care products sector, serving both local and international markets. With a dedicated team of over 500 professionals, we take pride in manufacturing all our brands in Ghana, ensuring top-quality products while supporting the local economy. Our factory and distribution headquarters are strategically located in Tema, complemented by distribution centers in Accra and Kumasi, allowing us to efficiently meet the needs of customers nationwide.

At DH Industries, we are committed to setting new standards in cleaning excellence. We utilize premium ingredients and advanced manufacturing processes to deliver the best in personal care. Our extensive product portfolio includes multipurpose, laundry, and luxury bar soaps, liquid soaps, antiseptics, and both powdered and liquid detergents.

By expertly blending tradition with modern innovation, we cater to the diverse preferences of our clientele. Our focus on the comfort and well-being of women and their families distinguishes us in the industry, while our product range for young adults addresses their growing awareness of personal hygiene and skincare.

We believe that our quality offerings in detergent, home, and personal care are essential for a healthy lifestyle, going beyond mere products to enhance everyday living.
